

Griffs Play Giants Today in First of Seven Games: Scholastic Series Opens Tomorrow

GAMES SHOULD PROVIDE REAL TESTS FOR TEAMS

First Encounter Takes Place in Jackson, Tenn., Today—Nationals Are Lucky to Defeat Chattanooga by 5 to 4.

JACKSON, Tenn., April 4.—The big scrap is on, or rather series of scraps, the first of seven games with the New York club of the National League being scheduled for this afternoon in this little known burg in western Tennessee. To get here the Griffins had to travel 300 miles in a car which represents one of the earliest examples of Mr. Pullman's inventive genius, and to reach Knoxville, where they are due to perform tomorrow, it will be necessary to retrace this territory and proceed even farther eastward, with barely time enough for a meal before boarding the train following the game.

But what matter little things like this when the opportunity is presented of staging a game in a town which never before has seen two major league clubs perform. This is the reason for the booking advanced by Secretary of the Griffins, who arranged for the date in the expectation of making a killing at the gate. With good weather, a tremendous crowd may be expected, possibly as many as one thousand.

Should Be Real Battles.—But whether in hot towns or on pasture fields, the games between the teams of the two leagues, the Griffins and the Nationals, should be real battles in every sense of the term. Those who saw the tilt between the Giants and Griffins while en route north a couple of years ago will remember that the Griffins came off victorious on one lone occasion out of a full week of games and that the Griffins, under the leadership of Bill Brennan, the private umpire, were around by McGraw, they had a lot of trouble doing that. Brennan is with the Griffins, despite the protest of Clark Griffith and his threat to call off the series if the arbitrator would not run the game as a level one. It is a far different and much stronger game of performers who are representing Washington this year and the Griffins' hirelings are confident they will cope a majority of the set in hand.

Glants May Be Handicapped.—The Griffins will be handicapped on to play on the field their most formidable array, although three of their "regulars" recently have been laid up. The pitcher, who is the only one of the Griffins who has succeeded the veteran Larry Doyle at second base, only recently recovered from a sprained ankle incurred at the training camp at San Antonio. Goldie Rapp, the catcher, who is the only one of the Griffins who has succeeded the veteran Larry Doyle at second base, only recently recovered from a sprained ankle incurred at the training camp at San Antonio. Goldie Rapp, the catcher, who is the only one of the Griffins who has succeeded the veteran Larry Doyle at second base, only recently recovered from a sprained ankle incurred at the training camp at San Antonio.

Griffins Are Hard Pressed.—For the first time they started playing exhibitions this spring the Griffins yesterday were hard pressed, losing out to a victory over Chattanooga, although outplayed, outpitched and generally outplayed. They put up a rapid exhibition of their skill, O'Rourke being the worst offender with Foss, Rice and Morgridge also penalized for misplays.

Notwithstanding sloppy defensive play on both sides, the Griffins were interesting one to watch and held the close attention of a noisy crowd of about 2,000 from start to finish. The Griffins were outplayed by a near clash in the fifth between the umpire and one of McGraw's athletes. Miller had just pitched the single that made the score when he essayed to steal and was waved out. Judge took violent objection to the ruling and

Will Be First Time That Detroit Club Has Retained Limit of Players.

DETROIT, Mich., April 4.—Manager Ty Cobb of the Detroit Americans has decided to carry twenty-five players during the coming season. It will be the first time the Tigers have ever carried the limit.

The club will include ten pitchers, six right-handers and four left-handers. Nine recruits, it was said, were assured of a place with the club. These include Lew Blue, who has been assigned regularly to first base, and four pitchers.

Seek Aid for Robinson.—BOSTON, April 4.—Tom McCarthy, base ball coach of Boston College, has been offered a contract with the Brooklyn Nationals to become assistant to Wilbur Robinson, team manager.

Umpire Asks \$500 Damages From Dolan and Kelly as Result of Mobile Fight.

MOBILE, Ala., April 3.—Cozy Dolan, coach of the New York Giants, and George Kelly, first baseman, were made defendants in a damage suit asking \$500 from each of them filed by Umpire Ed Lauson as the result of a fight at the ball park here Saturday night. Kelly charged Dolan with having thrown a chair at Lauson, and Lauson charged Kelly with having thrown a chair at Lauson. The trial will be set down for hearing at the circuit court next month, and if the two defendants fail to appear to defend the cases against them judgment will be taken by default.

Plays That Puzzle

BY BILLY EVANS

What are the rights of the coach at third base? If a batter should hit a ball over the fence, and the coach patted him on the back as he rounded the bases, how should the umpire rule? If a batter hits a ball over the fence and makes three bases on it, beating the throw to get him at that base, with the fielder standing on the base, with the ball in his possession, and the runner left the lines of his position and started to assist in brushing off the uniform of the player, what should the umpire do?

O. K. When No Play Figures. The umpire relating to the coach at third base touching a runner is made with intent to cover plays in which the coach physically assists a runner in getting over the fence. There is no desire to have an effect where no play was made. In the case where the batter hit the ball over the fence, the umpire should have paid no attention to the act of the coach in patting the player on the back. The umpire should have brushed off the uniform of the coach standing on third while the fielder was standing with the ball. There was no chance for a play and the actions of the coach should have been unnoticed.
